**POLAND WILL INSURE FOREIGN INVESTORS INTERESTED IN REBUILDING UKRAINE**

Polish President Andrzej Duda has signed an amendment to the law on export insurance guaranteed by the State Treasury. This decision, among other things, allows the Polish state-owned KUKE Insurance Corporation to provide more effective assistance to private businesses interested in rebuilding Ukraine.

With this law, Poland has created a framework for the reconstruction of Ukraine with the participation of Polish businesses.

### **KOREA PLANS TO PARTICIPATE IN UKRAINE'S RECONSTRUCTION**

Ukraine will receive funding from the Republic of Korea to develop innovative economic projects. The main sectors to be focused on are urban development, water purification, reconstruction and development of transport infrastructure.

It is planned to upgrade the railway, 11 airports in Ukraine, create a transport masterplan for Kyiv region and a water treatment system in Bucha.

«We are already talking about the implementation of the first pilot projects to restore Ukraine. By working on them, we hope that, based on Korea's experience in post-war reconstruction, we will be able to help rebuild Ukraine and do it as soon as possible,» said Korean Minister Hee-ryong.
